ENVELOPES

We are living in a Catholic community, which is self-funded and always in need of support from parishioners to continue its community service. Currently our parish expenses are met from the weekend collections.

The First Collection goes towards paying the priest stipend, along with the housekeeper's salary, superannuation, food and utilities for the priest.

The Second Collection includes the planned giving envelopes and any loose change. This money is used for the parish secretary's salary, insurance, church repairs and maintenance and also towards the parish's contribution to St Christopher's School building loans.

We appreciate and encourage you to contribute spiritually, socially and financially to the life of the Parish.
